

Opportunities at FirstLine Schools: 2010-2011

Teaching Opportunities:

Summer School 2010—Teach summer school, participate in intensive professional development and earn a summer salary.

Samuel J. Green Charter School—Join the staff of our flagship turn-around school: continue the transformation of one of the lowest performing schools in the state of Louisiana to one of the best.

Arthur Ashe Charter School—Be a part of the school which this year made the greatest performance improvements in the city of New Orleans.

John Dibert Community School—Participate in a renaissance as Dibert becomes a charter school and takes achievement to a whole new level.

New Turn-Around School—Be a Founding Team Member in the revolutionary first years as we take a failing school and turn it into an academically successful charter.

Staff & Leadership Opportunities:

School Operations Manager—Provide superior operational support to the School Director and staff and liaison between the school and the FirstLine Schools finance, business and HR offices.

Data Manager—Develop data systems, train staff and manage data for one of our schools.

Dean of Students—Develop and manage school culture and behavior at one of our new schools.

Special Education Coordinator—Develop and manage special education at our new schools.

Primary Literacy Coordinator/Master Teacher—Partner with the principal in creating primary curriculum and supporting and developing primary teachers.

Why join FirstLine Schools?

FirstLine Schools started the first charter school in New Orleans and has been on the cutting edge of school reform ever since. We are committed to three things:

1. Ensuring high achievement for all our students.
2. Providing a rich variety of educational experiences to nurture our students' social and emotional development and love of learning.
3. Developing our faculty's skillfulness and creating sustainable working conditions that facilitate our teachers' success.

Our faculty is a diverse and talented group dedicated to our students' success and to their own growth as teachers. Our schools are led by instructional leaders who hold themselves accountable for student achievement and teacher development.
